7. Safety:
 - We want to make sure to avoid getting burned or heatstroke. To help accomplish this it is a good idea to wear a hat before going outside on hot days.

- Joan announced that the Connection in the park event will take place from 11:00am-4:00pm May 27th if weather permits. The Youth Farm Bible Camp will be providing food for a small fee. Linda will also be providing Roll Kuchen and watermelon for free. Everyone is welcome including families and extended families. The event is on posters around the nursing home and in the newsletter.

The purpose of the event is to commemorate the new care home being built beginning in the second week of June. Everyone is welcome to participate. There will be cake and coffee to follow in the auditorium. If anyone wishes to donate money towards the care home they can donate at the office or speak to a board member.
- Joan emphasized the importance of being aware of the construction and that there will be extra traffic as a result. The area will be fenced off but please be cautious.

- Karen has hired lots of new staff and would like the residents to be patient while the new staff is training and learning their work.
- Debbie encouraged all residents to share concerns and/or suggestions with staff at any time. Debbie communicated that if anyone has questions for any department at any time to please ask. One of the residents spoke and asked where they can get mosquito repellent. Joan replied that it is in the recreation department. Debbie said she would check to make sure the recreation department has some.

- A family member asked if a dental hygienist was going to be available for the residents. Joan replied that the Director of Care, Karen is looking into the specifications for acquiring a dental hygienist. We have been in touch with the Dentist in town. They need to know that there is enough interest to make it worth them coming here and bringing all of the necessary equipment. We will follow up at a later date.
